---	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued June 13, 2002)

On April 26, 2002, Premiere Network Services, Inc. (Premiere), filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the local exchange maps in the tariffs of Qwest Corporation, f/k/a U S West Communications, Inc. (Qwest). The proposed tariff has been identified as Docket No. TF-02-169.

On January 22, 2001, the Board issued an order in Docket No. TCU-00-52, approving Premiere's application to provide local exchange service in the listed exchanges and approving concurrence in Qwest's exchange maps. In that order, the Board stated that a certificate would be issued when Premiere obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. Premiere requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds that it substantially complies with Board rules for the filing and processing of tariff pages. The tariff

contains rates for both business and residential customers. Notice was provided to all affected carriers. The Board will approve the tariff effective the date of this order and issue Premiere a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Premiere Network Services, Inc., on April 26, 2002, is approved effective the date of this order.
2. A certificate, identified as Certificate No. 0249, is being issued to Premiere Network Services, Inc., concurrent with this order.
